This outrageously funny and dramatic comedy is selling out, winning awards and wowing audiences everywhere. Smash hit sold out runs in New York, at the Just For Laughs Festival in Montreal, at the Spoleto Festival in Charleston, at HBO's Comedy Arts Festival in Aspen, and at theaters around the world. Don't miss this amazing-but-true story of how Patrick Combs deposited a \$95,093.35 junk-mail check marked 'non-negotiable' - hoping to spread a little banking cheer to tellers - and how it erupted into a staggering and funny David vs. Goliath-like adventure.

"Patrick Combs did something stupid, got into a whole lot of trouble for it, lived to tell about it, and fortunately is a talented enough writer and performer to have turned his uniquely twisted tale into one of the funniest, most fascinating and fastest moving solo plays to hit New York in many a season. Not only is "Man 1 Bank 0" 75 minutes of nonstop laughter, it's also an edge of your seat adventure loaded with unbelievable real-life surprises. Top of my 'Ya gotta see this' list." - Broadway World

"Combs has his STORYTELLING DOWN TO AN ART." - TimeOut NY.

"If there were a PEOPLE'S CHOICE award, judging by it's SELLOUTS, Man 1, Bank 0, would likely win." - Winnipeg Free Press
